Peter Eady
Chair, CHNA Traffic Committee
169 Hickory St.
Ottawa, ON K1Y 3T7

Dear Mr. Eady,

Thank you for writing me regarding your concerns over a potential roadway through Queen Juliana Park. I appreciate your having made me aware of this issue.

As you may know, I am a proponent both of maintaining the green spaces that make our city more liveable, and for promoting cycling for both recreation and commuting. As such, I am concerned about what you have written about the possibility of a roadway going through the land in question.

I am going to investigate this property as you have requested and have asked my office staff to be follow up with you. To that end, I would appreciate it if you could forward your contact information, including daytime phone number and email address (if possible), to my community office by contacting Alex Dearham at: paul.dewar.c1@parl.gc.ca or at 613-946-8684. If you have any documentation available on the issue, I would very much appreciate it if you could forward a copy to him to assist in our inquiries.

Sincerely,

Paul Dewar, MP
